

EXTERIOR CLEANING

Advanced Resin Polish

For the ultimate protection and shine. The nourishing formula restores a tough mirror finish showroom shine back to your car, wash after wash – time after time. Not only enhancing the colour and depth of shine, but provides long lasting protection to paintwork. Apply Auto Finish Mirror Gloss Sealant to lock in the shine and add ultimate protection to your paintwork.

- No other car polish shines like it or lasts like it.
- Suitable For all paintwork finishes.

Polish Applicator Pad

The soft microfibre construction is highly absorbent, holds the wax and applies polish evenly with minimum effort. The convenient hand pocket makes polish application easy. This unique shape is ideal for use on difficult, hard to reach areas. Use when clean and dry to apply polish and wax to car bodywork. Can also be used when clean and dry to remove dirt and moisture from dashboard and glass.

Premium Microfibre Cloth

Auto Finish Microfibre Cloths are suitable for valeting and household use. The microfibre construction is highly absorbent and super soft so will not scratch any surface. Use when wet for general cleaning and dry for smear and lint free polishing.

Crystal Glass Polish

Cleans, polishes and shines. Improves light scratches and blemishes inside and out. Powerful formula is tough on dirt, grease, tobacco haze and finger marks.

- Leaves a streak-free sparkling shine.
- Also suitable for use around the home.

Crystal Clear Glass

Anti-mist protection for clear vision and advanced driving. Cleans glass, perspex, acrylics & plastic. Suitable for sat nav and screens. Restores all glass and mirrors to a sparkling shine. Non-abrasive formula effortlessly removes dirt, bird lime, tree sap, grease, tobacco haze and finger marks in an instant.

- Leaves streak-free glass both inside and out.
- Suitable for use around the home.

Advanced Wash & Wax

Super strength car shampoo that provides a long lasting shine. Contains 'water dance' technology. Effortlessly removes traffic film and dirt, guaranteeing a high gloss, streak free finish every time, leaving your paintwork squeaky clean.

- Contains innovative water beading technology that instantly repels water on contact.
- It makes water dance!

Speed Shine Detailer

Top gloss detailer, instant shine. Shines like a wax but takes a fraction of the time to apply. For a mirror shine simply spray on and wipe off. No polishing, no buffing, no hard work.

- The original and the best top gloss shine.
- Can be used in between washes to ensure paintwork is kept clean and immaculate.

Rapid Wheel Cleaner

Super alloy wheel cleaner, cuts through dirt, grease & brake dust instantly. Used by the professionals as it is quick, effective and delivers outstanding results.

- Suitable for use on lacquered wheels, painted steel wheels and plastic wheel trims.
- Simple spray on – hose off formula.

Tar Remover Pre-Soak

Dissolves and lifts unsightly tar, oil & adhesive without damaging paintwork. Use before washing your vehicle to dissolve tar spots, oil, adhesive residues, tree sap, bird lime, fuel spills, stubborn greasy marks and much more.

Wet Look Tyre Gloss

Easy-on spray for instant long lasting shine and protection. Wet Look Tyre Gloss provides ultimate shine and maximum protection that lasts.

- Contains a special lubricant to combat the effects of crazing on tyre walls.
- Use regularly to reduce the effects of ageing.

Rapid Color Restorer

Spray on paintwork restorer. Removes light scratches & blemishes using licensed T-Cut[®] technology. Restores the original colour and lustre to vehicle paintwork, removing oxidation, scratches, ingrained road grime, tar spots and baked insect deposits. Revives depth of shine and colour whilst providing ultimate protection and rejuvenates paintwork.

- Contains no silicones.
- Also suitable for metallic and pearlescent paintwork.

INTERIOR CLEANING

Textile Interior Valet

Low foam formula that cleans & refreshes upholstery, seats & carpet. Rapid spot stain remover. The unique cleaning process will not discolour or stain fabrics but leaves a protective layer maintaining a cleaner surface. Can be used around the home.

- Fresh fragrance helps to mask stale odours caused by food, tobacco and pets.
- Use regularly to enhance and maintain a fresh clean interior.

Leather Cleaner & Conditioner

Cleans, feeds and nourishes leather upholstery and trim. Unique, subtle leather aroma. Removes dirt and stains whilst conditioning and replacing all essential oils.

- Enhances the colour and restores the luxurious leather aroma in one easy step.
- Also suitable for use around the home.

Refresh Odour Neutraliser

Eliminates unpleasant odours instantly including tobacco, food, pets and damp. Leaves a pleasant fresh fragranced aroma.

- Simply spray lightly in to the air to prevent unpleasant damp/musty smells.
- Also suitable for use around the home.
